UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Microsoft Corporation, a Washington State Corporation and Health-ISAC, Inc., a Florida non-profit organization,

Plaintiffs,

v.

Joshua Ogundipe,

and

John Does 1-4, Controlling A Computer Network and Thereby Injuring Plaintiffs and Their Customers,

Defendants.

Civil Action No. 25-cv-7111 (JSR)

FILED UNDER SEAL PURSUANT TO LOCAL RULE 5

[PROPOSED] *EX PARTE* TEMPORARY RESTRAINING ORDER AND ORDER TO SHOW CAUSE RE PRELIMINARY INJUNCTION

Plaintiffs Microsoft Corporation ("Microsoft") and Health-ISAC, Inc. ("Health-ISAC") have filed a complaint for injunctive and other relief pursuant to: (1) the Computer Fraud and Abuse Act, 18 U.S.C. § 1030; (2) the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. § 1962; (3) Conspiracy to Violate the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. § 1962(d); (4) the Electronic Communications Privacy Act, 18 U.S.C. § 2701; (5) False Designation of Origin under the Lanham Act, 15 U.S.C. § 1125(a); (6) Trademark Infringement under the Lanham Act, 15 U.S.C. § 1114 et seq.; (7) Trademark Dilution under the Lanham Act, 15 U.S.C. § 1125(c); (8) common law trespass to chattels; (9) conversion; and (10) unjust enrichment. Plaintiffs have moved *ex parte* for an emergency temporary restraining order and an order to show cause why a preliminary injunction should not be granted pursuant to Rule 65(b) of the Federal Rules of Civil Procedure, 15 U.S.C. § 1116(a) (the Lanham Act), and 28 U.S.C. §

1651(a) (the All-Writs Act).

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Having reviewed the papers, declarations, exhibits, and memorandum filed in support of Plaintiffs' *Ex Parte* Application for an Emergency Temporary Restraining Order and Order to Show Cause re Preliminary Injunction, the Court hereby makes the following findings of fact and conclusions of law:

1. This Court has jurisdiction over the subject matter of this case, and there is good cause to believe that it will have jurisdiction over all parties hereto; the Complaint states a claim upon which relief may be granted against Joshua Ogundipe and John Does 1-4 ("RaccoonO365Defendants") under the Computer Fraud and Abuse Act, 18 U.S.C. § 1030; (2) the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. § 1962; (3) Conspiracy to Violate the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. § 1962(d); (4) The Electronic Communications Privacy Act, 18 U.S.C. § 2701; (5) False Designation of Origin under the Lanham Act, 15 U.S.C. § 1125(a); (6) Trademark Infringement under the Lanham Act, 15 U.S.C. § 1114 *et seq.*; (7) Trademark Dilution under the Lanham Act, 15 U.S.C. § 1125(c); (8) common law trespass to chattels; (9) conversion; and (10) unjust enrichment.

2. There is good cause to believe that RaccoonO365 Defendants manufacture and sell illegal phishing kits deceptively branded as "RaccoonO365," designed to steal sensitive information and perpetrate business email compromise, ransomware, and financial fraud against Microsoft customers, Health-ISAC member organizations, and the public.

3. There is good cause to believe that RaccoonO365 Defendants target Microsoft's customers, Health-ISAC member organizations, and the general public. RaccoonO365 Defendants manufacture, sell, and facilitate the deployment of pre-packaged sets of tools

("phishing kits") that enable other cybercriminals to launch phishing attacks with relative ease. This business model of selling phishing kits and services for use by other cybercriminals is also referred to as "Phishing-as-a-Service" or "PhaaS."

4. There is good cause to believe that RaccoonO365 Defendants have engaged in and are likely to engage in acts or practices that violate the Computer Fraud and Abuse Act (18 U.S.C. § 1030), the Racketeer Influenced and Corrupt Organizations Act (18 U.S.C. § 1962, 1962(d)), the Electronic Communications Privacy Act (18 U.S.C. § 2701), the Lanham Act (15 U.S.C. §§ 1114, 1125), and constitute trespass to chattels, conversion, and unjust enrichment, and Plaintiffs, therefore, are likely to prevail on the merits of this action.

5. Microsoft owns the registered trademarks Microsoft®, Windows®, Microsoft 365®, Office365®, Office®, Microsoft Office®, SharePoint®, OneDrive®, Outlook®, and Azure® and numerous other trademarks used in connection with its services, software and products.

6. Health-ISAC is a membership organization comprised of public and private hospitals, ambulatory providers, health insurance payers, pharmaceutical/biotech manufacturers, laboratories, diagnostic, medical device manufacturers, medical schools, medical R&D organizations and other relevant health sector stakeholders. Health-ISAC represents the interests of its healthcare industry members in combating and defending against cyber threats that pose risk and loss to the industry.

7. There is good cause to believe that, unless RaccoonO365 Defendants are restrained and enjoined by Order of this Court, immediate and irreparable harm will result from RaccoonO365 Defendants' ongoing violations. The evidence set forth in Plaintiffs' Memorandum of Law in Support of *Ex Parte* Application for a Temporary Restraining Order and Order to Show

Cause Re Preliminary Injunction ("TRO Application"), and the accompanying declarations of Jason Lyons, Nick Monaco, and Errol Weiss, and supporting exhibits, demonstrate that Plaintiffs are likely to prevail on their claim that RaccoonO365 Defendants have engaged in violations of the foregoing law by:

a. Intentionally accessing the protected computers and computer networks of Microsoft and the customers of Microsoft, without authorization or exceeding authorization, in order to steal and exfiltrate information from those computers and computer networks;

b. Engaging in phishing operations to steal credentials from unsuspecting victims who are tricked into believing they are accessing legitimate websites;

c. Developing mechanisms to circumvent technological security protocols;

d. Intentionally accessing, without authorization, the email inboxes of Microsoft customers, to support credentials theft, information exfiltration, and subsequent end-user terminal attacks which include business email compromise, ransomware, and financial fraud;

e. Operating a Racketeering Enterprise by leveraging each other's work to: (i) create, distribute, and operate the phishing technical infrastructure, (ii) sell, distribute, and use RaccoonO365 branded phishing kits, (iii) to steal credentials from victims, and (iv) gain access to victim computers to further additional criminal activities like financial fraud, business email compromise, and deploying ransomware.

f. Infringing the protected marks of Plaintiffs for the purpose of causing confusion or mistake, whereby the victims of RaccoonO365 Defendants' attacks mistakenly associate such conduct with Plaintiffs.

8. There is good cause to believe that if such conduct continues, irreparable harm will occur to Microsoft, Microsoft's customers, Health-ISAC member organizations, and the public. There is good cause to believe that RaccoonO365 Defendants will continue to engage in such unlawful actions if not immediately restrained from doing so by Order of this Court.

9. There is good cause to believe that immediate and irreparable damage to this Court's ability to grant effective final relief will result from the sale, distribution, deployment, or use of the RaccoonO365-branded phishing kits by RaccoonO365 Defendants that is hosted at and

otherwise operates through the Internet domains listed in **Appendix A** to this Order, and from the destruction or concealment of other discoverable evidence of RaccoonO365 Defendants' misconduct available via those domains, including on victims targeted by RaccoonO365 Defendants, if they receive advance notice of this action. Based on the evidence cited in Plaintiffs' TRO Application and accompanying declarations and exhibits, Plaintiffs are likely to be able to prove that:

a. RaccoonO365 Defendants are engaged in activities that directly violate United States law and harm Microsoft, its customers, Health-ISAC member organizations, and the public;

b. RaccoonO365 Defendants have continued their unlawful conduct despite the clear injury to the foregoing interests;

c. RaccoonO365 Defendants are likely to delete or to relocate Internet infrastructure in Plaintiffs' TRO Application and the harmful and malicious phishing kits disseminated through the Internet domains listed in **Appendix A**, thereby permitting them to continue their illegal acts; and

d. RaccoonO365 Defendants are likely to warn their associates engaged in such activities if informed of Plaintiffs' action.

10. Plaintiffs' request for this emergency *ex parte* relief is not the result of any lack of diligence on Plaintiffs' part, but instead, is based upon the nature of RaccoonO365 Defendants' unlawful conduct. Therefore, in accordance with Fed. R. Civ. P. 65(b), 15 U.S.C. § 1116(a) and 28 U.S.C. § 1651(a), good cause and the interest of justice require that this Order be **GRANTED** without prior notice to RaccoonO365 Defendants, and accordingly, Plaintiffs are relieved of the duty to provide RaccoonO365 Defendants with prior notice of Plaintiffs' motion and requested relief.

11. There is good cause to believe that RaccoonO365 Defendants have operated their phishing operations through certain instrumentalities – specifically through the website domains identified in **Appendix A**.

12. There is good cause to believe that RaccoonO365 Defendants have (i) engaged in illegal activity by using the domain registration facilities of the domain registries identified in **Appendix A,** to register the Internet domains identified in **Appendix A,** (ii) violated Plaintiffs' trademarks in order to: (iii) deceive Plaintiffs' customers to steal credentials for their email accounts, infiltrate the email systems, and have unfettered access to the contents of those email accounts for purposes of data exfiltration and the perpetration of further cybercrime.

13. There is good cause to believe that RaccoonO365 Defendants have engaged in illegal activity by using deceptive and fraudulent methods to steal computer users' account credentials and to use such credentials for illegal purposes.

14. There is good cause to believe that to immediately halt the injury caused by RaccoonO365 Defendants, they must be prohibited from accessing Plaintiffs' services without authorization, prohibited from the unlawful intrusion and data theft of the victims' email accounts, from using Plaintiffs' marks to perpetrate their unlawful and criminal scheme, and prevented from using the Internet domains identified in **Appendix A** to operate the Internet infrastructure to further its phishing operation.

15. There is good cause to believe that RaccoonO365 Defendants have engaged in illegal activity using the Internet domains identified in **Appendix A** to carry out their illegal phishing campaign. There is good cause to believe that to immediately halt the injury caused by RaccoonO365 Defendants, each of RaccoonO365 Defendants' domains set forth in **Appendix A** must be immediately transferred beyond the control of RaccoonO365 Defendants' criminal operation, thus making them inaccessible to RaccoonO365 Defendants.

16. There is good cause to believe that to immediately halt the injury, the execution of this Order should be carried out in a coordinated manner by Plaintiffs and by the domain registries

identified in **Appendix A** on such date and time within three (3) days of this Order as may be reasonably requested by Plaintiffs.

17. There is good cause to believe that RaccoonO365 Defendants have specifically directed their activities to the Southern District of New York.

18. There is good cause to believe that if RaccoonO365 Defendants are provided advance notice of Plaintiffs' TRO Application or this Order, they would move RaccoonO365 Defendants' infrastructure, allowing them to continue their misconduct and that they would destroy, move, hide, conceal, or otherwise make inaccessible to the Court evidence of their misconduct, RaccoonO365 Defendants' infrastructure's activity, the infringing materials, the instrumentalities used to make the infringing materials, and the records evidencing the manufacture and distributing of the infringing materials.

19. There is good cause to permit notice of the instant Order, notice of the Preliminary Injunction hearing and service of the Complaint by formal and alternative means, given the exigency of the circumstances and the need for prompt relief. The following means of service are authorized by law, satisfy Due Process, and satisfy Fed. R. Civ. P. 4(f)(3) and are reasonably calculated to notify RaccoonO365 Defendants of the instant order, the Preliminary Injunction hearing and of this action: (1) transmission by email, facsimile, mail and/or personal delivery to the contact information provided by RaccoonO365 Defendants to RaccoonO365 Defendants' domain registrars and hosting companies and as agreed to by RaccoonO365 Defendants in their domain registration and/or hosting agreements, (2) publishing notice on a publicly available Internet website, (3) by personal delivery upon RaccoonO365 Defendants, to the extent RaccoonO365 Defendants provided accurate contact information in the U.S.; and (4) personal delivery through the Hague Convention on Service Abroad or similar treaties upon RaccoonO365

Defendants, to the extent RaccoonO365 Defendants provided accurate contact information in foreign countries that are signatories to such treaties.

20. There is good cause to believe that RaccoonO365 Defendants have no legitimate interest in carrying out their cybercriminal activities.

21. There is good cause to believe that the harm to Plaintiffs in denying the relief requested in their TRO Application outweighs any harm to any legitimate interest of RaccoonO365 Defendants (of which there is none) and that there is no undue burden to any third party.

TEMPORARY RESTRAINING ORDER AND ORDER TO SHOW CAUSE

IT IS THEREFORE ORDERED that RaccoonO365 Defendants, their representatives, and persons who are in active concert or participation with RaccoonO365 Defendants and associated criminal operation, are temporarily restrained and enjoined from: (1) intentionally accessing the protected computers without authorization, (2) engaging in phishing campaigns, (3) stealing credentials from victims of phishing campaigns, (4) using the credentials to access the email inboxes of victims, (4) unlawfully accessing, viewing, exfiltrating, or otherwise stealing the contents of the compromised email inboxes, (5) capitalizing on the trademarks of Plaintiffs to fabricate legitimacy of the phishing campaign, (6) misappropriating that which rightfully belongs to Microsoft, its customers, or in which Microsoft or its customers have a proprietary interest; (7) destroying the goodwill and reputation of Plaintiffs, (8) impersonating Plaintiffs, their systems, products, and services, (9) configuring, deploying, operating, or otherwise participating in or facilitating infrastructure described in the TRO Application, including but not limited to the Internet domains set forth in **Appendix A** and through any other component or element of RaccoonO365 Defendants' illegal infrastructure at any location, including infrastructure

RaccoonO365 Defendants may attempt to rebuild, and (10) undertaking any similar activity that inflicts harm on Microsoft, Microsoft's customers, Health-ISAC member organizations, or the public.

IT IS FURTHER ORDERED that, RaccoonO365 Defendants, their representatives, and persons who are in active concert or participation with RaccoonO365 Defendants and associated criminal operation are temporarily restrained and enjoined from (1) using and infringing Plaintiffs' trademarks, including specifically Microsoft's registered trademarks Microsoft®, Windows®, Microsoft 365®, Office365®, Office®, Microsoft Office®, SharePoint®, OneDrive®, Outlook®, and Azure®, and/or other trademarks, trade names, service marks, or Internet domain addresses or names containing or infringing such trademarks, trade names or service marks, as set forth in **Appendix B** to this Order; (2) using in connection with RaccoonO365 Defendants' activities, products, or services any false or deceptive designation, representation or description of RaccoonO365 Defendants or of their activities, whether by symbols, words, designs or statements, which would damage or injure Plaintiffs or give RaccoonO365 Defendants an unfair competitive advantage or result in deception of consumers; or (3) acting in any other manner which suggests in any way that RaccoonO365 Defendants' activities, products or services come from or are somehow sponsored by or affiliated with Plaintiffs, or passing off RaccoonO365 Defendants' activities, products or services as Plaintiffs'.

IT IS FURTHER ORDERED that, with respect to any currently registered Internet domains set forth in **Appendix A** to this Order, the domain registries located in the United States shall take the following actions:

A. Within **three (3) business days** of receipt of this Order, shall unlock and change the registrar of record for the domain to MarkMonitor or such other registrar specified by

Microsoft. To the extent the registrar of record does not assist in changing the registrar of record for the domain under its control, the domain registry for the domain, or its administrators, including backend registry operators or administrators, within three (3) business days of receipt of this Order, shall change, or assist in changing, the registrar of record for the domain to MarkMonitor or such other registrar specified by Microsoft. The purpose of this paragraph is to ensure that Microsoft has control over the hosting and administration of the domain in its registrar account at MarkMonitor or such other registrar specified by Microsoft. Microsoft shall provide to the domain registry or registrar of record any requested information or account details necessary to effectuate the foregoing.

B. The domain registries shall be made active and shall resolve in the manner set forth in this order, or as otherwise specified by Microsoft, upon taking control of the domain.

C. The domain registries shall take reasonable steps to work with Microsoft to ensure the transfer of the domain and to ensure that RaccoonO365 Defendants cannot use it to make unauthorized access to computers, infect computers, compromise computers and computer networks, monitor the owners and users of computers and computer networks, steal information from them, or engage in any other activities prohibited by this Order;

D. The WHOIS registrant, administrative, billing and technical contact and identifying information should be the following, or other information as may be specified by Microsoft:

Domain Administrator
Microsoft Corporation
One Microsoft Way
Redmond, WA 98052
United States
Phone: +1.4258828080
Facsimile: +1.4259367329
domains@microsoft.com

Name Server Information: ns2246a.microsoftinternetsafety.net, ns2246b.microsoftinternetsafety.net

E. Prevent transfer, modification or deletion of the domain by RaccoonO365 Defendants and prevent transfer or control of the domain to the account of any party other than Microsoft;

F. Take all steps required to propagate to the foregoing changes through the Domain Name System ("DNS"), including domain registrars.

2. With regard to the domain registries and registrars located outside of the United States, the Court respectfully requests, but does not order, that they take the same or substantially similar actions as the foregoing so as to neutralize the threat posed by RaccoonO365 Defendants to the citizens of all countries, including their own. RaccoonO365 Defendants, their representatives and persons who are in active concert or participation with them are ordered to consent to whatever actions are necessary for non-United States registries, registrars and registrants or hosts, set forth in **Appendix A** to this Order, to effectuate this request.

IT IS FURTHER ORDERED that copies of this Order, notice of the Preliminary Injunction hearing and service of the Complaint may be served by any means authorized by law, by no later than September 6, 2025
including (1) transmission by email, facsimile, mail and/or personal delivery to the contact information provided by RaccoonO365 Defendants to their domain registrars and/or hosting companies and as agreed to by RaccoonO365 Defendants in the domain registration and/or hosting by no later than September 6, 2025 by no later than September 10, 2025
agreements, (2) publishing notice on a publicly available Internet website, (3) by personal delivery upon Defendants, to the extent RaccoonO365 Defendants provided accurate contact information as soon as reasonably convenient
in the U.S.; and (4) personal delivery through the Hague Convention on Service Abroad or similar treaties upon RaccoonO365 Defendants, to the extent they provided accurate contact information in foreign countries that are signatories to such treaties.

IT IS FURTHER ORDERED, pursuant to Federal Rule of Civil Procedure 65(b) that RaccoonO365 Defendants shall appear before this Court in Courtroom 14B at the US Courthouse at 500 Pearl St, New York, NY on September 11, 2025 at 4:00 a.m. (p.m.) to show cause, if there is any, why this Court should not enter a Preliminary Injunction, pending final ruling on the Complaint against RaccoonO365 Defendants, enjoining RaccoonO365 Defendants from the conduct temporarily restrained by the preceding provisions of this Order.

IT IS FURTHER ORDERED that Microsoft, on behalf of Plaintiffs, shall post bond in the amount of $ 10,000 to be paid into the Court registry by no later than 5:00 pm on September 2, 2025.

IT IS FURTHER ORDERED that RaccoonO365 Defendants shall file with the Court and serve on Plaintiffs' counsel any answering affidavits, pleadings, motions, expert reports or declarations and/or legal memoranda no later than two (2) days prior to the hearing on Plaintiffs' request for a preliminary injunction. Plaintiffs may file responsive or supplemental pleadings, materials, affidavits, or memoranda with the Court and serve the same on counsel for RaccoonO365 Defendants no later than one (1) day prior to the preliminary injunction hearing in this matter. Provided that service shall be performed by personal or overnight delivery, facsimile or electronic mail, and documents shall be delivered so that they shall be received by the other parties no later than 4:00 p.m. (Eastern Standard Time) on the appropriate dates listed in this paragraph.

IT IS SO ORDERED

Entered this 27 day of August, 2025 at 6:00 pm

CLASS 9: Downloadable computer software for use in project management; downloadable computer software for designing, creating, maintaining and accessing customized internal network sites and global communication network sites; downloadable computer authoring software for use on internal computer networks and global communication networks, namely, software for creating, editing and delivering textual and graphic information, locally and remotely; downloadable computer programs for developing other computer programs; downloadable computer utility programs for creating internal network and global communication network applications; downloadable computer programs for assisting developers in creating program code for use in internal computer networks and global communication networks; downloadable computer software for designing, creating, maintaining and accessing document management, authoring, storage and retrieval systems; downloadable computer software for document authoring, storage, retrieval, contention control, version history tracking, profiling, access control and security; downloadable computer software for automatically notifying users when documents have been updated; downloadable computer software for meeting and event scheduling and notification and for posting announcements on internal network sites and global communication network sites; downloadable computer software for posting links to internal network sites and global communication network sites; downloadable computer software for categorizing, searching and retrieving documents and data on internal computer networks; downloadable computer programs for use on and with computer networks and global communication networks, namely, user identification, registration and authorization programs; downloadable computer programs for automating login procedures to access web sites or internal networks; downloadable security and encryption computer programs; downloadable computer programs for maintaining user privacy; downloadable computer programs for maintaining and updating user profiles; downloadable computer programs for maintaining server profiles; downloadable computer software for use in developing other computer programs for use by workgroups and in project management applications; downloadable computer programs for running development programs and application programs in a common development environment

FIRST USE 11-00-2018; IN COMMERCE 11-00-2018

CLASS 42: Cloud computing featuring software for use in document management, authoring and publishing, developing customized internal network sites, designing, creating,

Andrei Iancu

Director of the United States Patent and Trademark Office

maintaining and accessing document management, authoring, storage and retrieval systems, and accessing remotely stored data for such applications; providing temporary use of on-line non-downloadable software and applications for document management, authoring and publishing internal network sites, developing customized internal network sites, designing, creating, maintaining and accessing document management, authoring, storage and retrieval systems; providing technical information in the field of computer software and cloud computing

FIRST USE 11-00-2018; IN COMMERCE 11-00-2018

The mark consists of three overlapping, vertically-oriented circles of varying shades; a square shape containing the letter "S" is superimposed over the left side of the three circles.

SER. NO. 88-430,399, FILED 05-14-2019

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*
What and When to File:

- ***First Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

- ***Second Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see http://www.wipo.int/madrid/en/.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at h ttp://www.uspto.gov.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at http://www.uspto.gov.

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see http://www.wipo.int/madrid/en/.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at http://www.uspto.gov.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at http://www.uspto.gov.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*
What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* *See* 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

ZACHARY BELLO, EXAMINING ATTORNEY

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*
What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* *See* 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or reminder of these filing requirements.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see http://www.wipo.int/madrid/en/.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at http://www.uspto.gov.

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* *See* 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or reminder of these filing requirements.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see http://www.wipo.int/madrid/en/.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at http://www.uspto.gov.
