

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
Alexandria Division**

MICROSOFT CORPORATION, a
Washington corporation,

Plaintiff,

v.

JOHN DOES 1-2,
Controlling A Computer Network and
Thereby Injuring Plaintiff and Its Customers,

Defendants.

Civil Action No: 1:21-cv-01346 (LMB/WEF)

[PROPOSED] ORDER GRANTING PLAINTIFF’S MOTION TO FILE UNDER SEAL

Plaintiff Microsoft Inc. (“Microsoft”) has filed with the Court a Motion to File Under Seal. Having reviewed Plaintiff’s motion, the Court finds that Plaintiff’s Notice of Filing a Motion to Seal gave the public notice of the request to seal and a reasonable opportunity to object. The Court also finds that there are no less drastic alternatives to sealing and that the Second *Ex Parte* Motion to Supplement Preliminary Injunction and its accompanying documents contains non-public and commercially sensitive information.

IT IS HEREBY ORDERED that Plaintiff’s Motion to File Under Seal pursuant to Local Civil Rule 5 is GRANTED; and

IT IS FURTHER ORDERED that the Clerk shall file an unredacted copy of the Second *Ex Parte* Motion to Supplement Preliminary Injunction and its accompanying documents under seal.

IT IS SO ORDERED.

Entered this ____ day of August, 2022.

Leonie M. Brinkema

U.S. District Court Judge
