

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA**

MICROSOFT CORPORATION, a  
Washington corporation,

Plaintiff,

v.

JOHN DOES 1-2, CONTROLLING A  
COMPUTER NETWORK AND THEREBY  
INJURING PLAINTIFF AND ITS  
CUSTOMERS,

Defendants.

Civil Action No: 1:19-cv-00716-ABJ

**FILED UNDER SEAL PURSUANT TO  
LOCAL RULE 5.1**

**[PROPOSED] FOURTH SUPPLEMENTAL INJUNCTION ORDER**

The Court, having considered the pleadings and declaration in support of Microsoft Corporation’s (“Microsoft”) Motion for Fourth Supplemental Preliminary Injunction Order, hereby orders that (i) the terms of the Preliminary Injunction Order (“Preliminary Injunction Order”), Dkt. 18, shall apply to the additional domains set forth in **Appendix A** to this Order established by Defendants in violation of this court’s order.

**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Having reviewed the papers, declarations, exhibits, memorandum, and all other pleadings and papers relevant to Microsoft’s Motion for Fourth Supplemental Preliminary Injunction Order and Microsoft’s original motion for Temporary Restraining Order and Preliminary Injunction, the Court hereby makes the following findings of fact and conclusions of law:

- I.** The Defendants were served with notice of the Preliminary Injunction.
- II.** After receiving notice of the Preliminary Injunction, the Defendants have continued to engage in the conduct enjoined by the Preliminary Injunction Order, and therefore

continue to violate the Preliminary Injunction Order. In particular, Defendants have intentionally and without authorization, continued and attempted to access and send malicious software, code, and instructions to protected computers, operating systems, and networks of Microsoft and its customers, attacking such computers, systems and networks, and exfiltrating information from those computers, systems and networks, using new domains.

**III.** There is good cause to believe that Defendants are likely to continue the foregoing conduct and to engage in the illegal conduct and purposes enjoined by the Preliminary Injunction Order, unless further relief is ordered to expeditiously prevent Defendants from maintaining the registration of domains for such prohibited and unlawful purposes.

**IV.** There is good cause to believe that, unless further relief is ordered to expeditiously prevent Defendants from maintaining the registration of domains for purposes enjoined by the Preliminary Injunction Order, immediate and irreparable harm will result to Microsoft, Microsoft's customers and to the public, from the Defendants' ongoing violations.

**V.** Therefore, in accordance with Fed. R. Civ. P. 65(b), 15 U.S.C. § 1116(a) and 28 U.S.C. § 1651(a) and the Court's inherent equitable authority, good cause and the interests of justice require that this Order be Granted.

#### **FOURTH SUPPLEMENTAL PRELIMINARY INJUNCTION**

**IT IS THEREFORE ORDERED** that, the terms of the Preliminary Injunction Order shall be supplemented and shall be enforced against Defendants, Defendants' representatives, and persons who are in active concert or participation with Defendants, as follows:

- 1.** With respect to any currently registered Internet domains set forth in **Appendix A:**
  - A.** Within five (5) business days of receipt of this Order, the domain

registries shall unlock and change the registrar of record for the domains to MarkMonitor or such other registrar specified by Microsoft. To the extent the registrar of record does not assist in changing the registrar of record for the domains under its control, the domain registry for the domains, or its administrators, including backend registry operators or administrators, within five (5) business days of receipt of this Order, shall change, or assist in changing, the registrar of record for the domains to MarkMonitor or such other registrar specified by Microsoft. The purpose of this paragraph is to ensure that Microsoft has control over the hosting and administration of the domains in its registrar account at MarkMonitor or such other registrar specified by Microsoft. Microsoft shall provide to the domain registry or registrar of record any requested registrar information or account details necessary to effectuate the foregoing.

**B.** The domains shall be made active and shall resolve in the manner set forth in this order, or as otherwise specified by Microsoft, upon taking control of the domains;

**C.** The domains shall be redirected to secure servers by changing the authoritative name servers to NS151.microsoftinternetsafety.net and NS152.microsoftinternetsafety.net and, as may be necessary, the IP addresses associated with name servers or taking other reasonable steps to work with Microsoft to ensure the redirection of the domains and to ensure that Defendants cannot use them to make unauthorized access to computers, infect computers, compromise computers and computer networks, monitor the owners and users of computers and computer networks, steal information from them or engage in any other activities prohibited by the Injunction;

**D.** The WHOIS registrant, administrative, billing and technical contact and identifying information should be the following, or other information as may be specified by Microsoft:

Domain Administrator  
Microsoft Corporation  
One Microsoft Way  
Redmond, WA 98052  
United States  
Phone: +1.4258828080  
Facsimile: +1.4259367329  
domains@microsoft.com

E. The domains should be maintained in a manner to prevent transfer, modification or deletion of the domain by Defendants and prevent transfer or control of the domain to the account of any party other than Microsoft;

F. All required steps should be taken to propagate the foregoing changes through the Domain Name System (“DNS”), including domain registrars.

**IT IS FURTHER ORDERED** that copies of this Order and all other pleadings and documents in this action, including orders, determinations, reports and recommendations of the Court Monitor, may be served by any means authorized by law, including (1) transmission by email, facsimile, mail and/or personal delivery to the contact information provided by Defendants to Defendants’ domain registrars and/or hosting companies and as agreed to by Defendants in the domain registration or hosting agreements, (2) publishing notice on a publicly available Internet website, (3) by personal delivery upon Defendants, to the extent Defendants provided accurate contact information in the U.S.; (4) personal delivery through the Hague Convention on Service Abroad or similar treaties upon Defendants, to the extent Defendants provided accurate contact information in foreign countries that are signatory to such treaties.

**IT IS SO ORDERED**

Entered this \_\_\_ day of July, 2020
