

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA**

Microsoft Corporation, a Washington State
Corporation, NGO-ISAC, a New York State
Non-Profit Organization,

Plaintiffs,

v.

John Does 1-2, Controlling A Computer
Network and Thereby Injuring Plaintiff and Its
Customers,

Defendants.

Civil Action No. 1:24-cv-02719-RC

PRELIMINARY INJUNCTION ORDER

Plaintiffs Microsoft Corporation (“Microsoft”) and NGO Information Sharing and Analysis Center (“NGO-ISAC”) have filed a complaint for injunctive and other relief pursuant to: (1) the Computer Fraud and Abuse Act, 18 U.S.C. § 1030; (2) the Electronic Communications Privacy Act, 18 U.S.C. § 2701; (3) Trademark Infringement under the Lanham Act, 15 U.S.C. § 1114 *et seq.*; (4) False Designation of Origin under the Lanham Act, 15 U.S.C. § 1125(a); (5) Trademark Dilution under the Lanham Act, 15 U.S.C. § 1125(c) (6) Common Law Trespass to Chattels; (7) Conversion; and (8) Unjust Enrichment. Plaintiffs have moved for a preliminary injunction order pursuant to Rule 65(b) of the Federal Rules of Civil Procedure, 15 U.S.C. § 1116(a) (the Lanham Act), and 28 U.S.C. § 1651(a) (the All-Writs Act). On September 25, 2024, the Court issued a temporary restraining order and order to show cause why an injunction should not issue. Defendants have not responded to the Court’s Order to show cause.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Having reviewed the papers, declarations, exhibits, and memorandum filed in support of

Plaintiffs' *Ex Parte* Application for an Emergency Temporary Restraining Order and Order to Show Cause re Preliminary Injunction, the Court hereby makes the following findings of fact and conclusions of law:

1. This Court has jurisdiction over the subject matter of this case, and there is good cause to believe that it will have jurisdiction over all parties hereto; the Complaint states a claim upon which relief may be granted against Defendants John Doe 1-2 ("Defendants") under the Computer Fraud and Abuse Act (18 U.S.C. § 1030), the Electronic Communications Privacy Act (18 U.S.C. § 2701), the Lanham Act (15 U.S.C. §§ 1114, 1125), and the common law of trespass to chattels, conversion, and unjust enrichment.

2. There is good cause to believe that John Does 1-2 operate a sophisticated Russia-based, cybercriminal operation known as "Star Blizzard."

3. There is good cause to believe that Star Blizzard targets Microsoft's customers, including NGO-ISAC and its member organizations, and the general public, that work to oppose the Russian government and are adverse to Russia's interests or global and domestic policy (such as its invasion of Ukraine).

4. The Star Blizzard Defendants have not responded to the Court's September 25, 2024 Order to Show Cause.

5. There is good cause to believe that the Star Blizzard Defendants have engaged in and are likely to engage in acts or practices that violate the Computer Fraud and Abuse Act (18 U.S.C. § 1030), the Electronic Communications Privacy Act (18 U.S.C. § 2701), the Lanham Act (15 U.S.C. §§ 1114, 1125), and constitute trespass to chattels, conversion, and unjust enrichment, and Plaintiffs, therefore, are likely to prevail on the merits of this action.

6. Microsoft owns the registered trademarks Microsoft, Microsoft corporate logo,

Outlook, OneDrive, Microsoft Word and Office 365 and numerous other trademarks used in connection with its services, software and products.

7. NGO-ISAC is an organization that has organizational standing to bring claims on behalf of its member organization. NGO-ISAC's members, including the Carnegie Corporation of New York, owns registered trademarks in its names and logos used in connection with its nonprofit work.

8. There is good cause to believe that, unless the Star Blizzard Defendants are restrained and enjoined by Order of this Court, immediate and irreparable harm will result from the Star Blizzard Defendants' ongoing violations. The evidence set forth in Plaintiffs' Brief in Support of *Ex Parte* Application for a Temporary Restraining Order and Order to Show Cause Re Preliminary Injunction ("TRO Application"), and the accompanying declarations of Sean Ensz, Ian Gottesman, Yotaro Sherman, and Natalia Krapiva, and supporting exhibits, demonstrates that Plaintiffs are likely to prevail on its claim that the Star Blizzard Defendants have engaged in violations of the foregoing law by:

- a. Intentionally accessing the protected computers and computer networks of Microsoft and the customers of Microsoft, including NGO-ISAC, and NGO-ISAC's member organizations, without authorization or exceeding authorization, in order to steal and exfiltrate information from those computers and computer networks;
- b. Engaging in spear phishing operations to steal credentials from unsuspecting victims who are tricked into believing they are accessing legitimate websites;
- c. Intentionally accessing, without authorization, the email inboxes of Microsoft customers, NGO-ISAC, NGO-ISAC's member organization in order to view and exfiltrate sensitive data including email contents, attachments to emails, and contact lists for the purpose of data theft;
- d. Infringing the protected marks of Plaintiffs for the purpose of causing confusion or mistake, whereby the victims of the Star Blizzard Defendants' attacks mistakenly believe that such conduct is endorsed by Plaintiffs.

9. There is good cause to believe that if such conduct continues, irreparable harm will

occur to Microsoft, Microsoft's customers, NGO-ISAC, NGO-ISAC's members, and the public. There is good cause to believe that the Star Blizzard Defendants will continue to engage in such unlawful actions if not immediately restrained from doing so by Order of this Court.

10. There is good cause to believe that immediate and irreparable damage to this Court's ability to grant effective final relief will result from the sale, transfer, or other disposition or concealment by the Star Blizzard Defendants of command and control software that is hosted at and otherwise operates through the Internet domains listed in **Appendix A** to this Order, and from the destruction or concealment of other discoverable evidence of the Star Blizzard Defendants' misconduct available via those domains, including on user computers infected by the Star Blizzard Defendants, if they receive advance notice of this action. Based on the evidence cited in Plaintiffs' TRO Application and accompanying declarations and exhibits, Plaintiffs are likely to be able to prove that:

- a. The Star Blizzard Defendants are engaged in activities that directly violate United States law and harm Microsoft, its customers, NGO-ISAC, its member organizations, and the public;
- b. The Star Blizzard Defendants have continued their unlawful conduct despite the clear injury to the foregoing interests;
- c. The Star Blizzard Defendants are likely to delete or to relocate the command and control software at issue in Plaintiffs' TRO Application and the harmful and malicious software disseminated through the Internet domains listed in **Appendix A**, thereby permitting them to continue their illegal acts; and
- d. The Star Blizzard Defendants are likely to warn their associates engaged in such activities if informed of Plaintiffs' action.

11. Plaintiffs' request for this emergency relief is not the result of any lack of diligence on Plaintiffs' part, but instead, is based upon the nature of the Star Blizzard Defendants' unlawful conduct. Therefore, in accordance with Fed. R. Civ. P. 65(b), 15 U.S.C. § 1116(a) and 28 U.S.C. § 1651(a), good cause and the interest of justice require that this Order be **Granted**.

12. There is good cause to believe that the Star Blizzard Defendants have operated their spearphishing campaigns through certain instrumentalities – specifically through the website domains identified in **Appendix A**.

13. There is good cause to believe that the Star Blizzard Defendants have (i) engaged in illegal activity by using the domain registration facilities of the domain registries identified in **Appendix A**, to register the Internet domains identified in **Appendix A**, (ii) violated Plaintiffs' trademarks in order to: (iii) deceive Plaintiffs' customers to steal credentials for their email accounts, infiltrate the email systems, and have unfettered access to the contents of those email accounts for purposes of data exfiltration.

14. There is good cause to believe that the Star Blizzard Defendants have engaged in illegal activity by using deceptive and fraudulent methods to steal computer users' account credentials and to use such credentials for illegal purposes.

15. There is good cause to believe that to immediately halt the injury caused by the Star Blizzard Defendants, they must be prohibited from accessing Plaintiffs' services without authorization, prohibited from the unlawful intrusion and data theft of the victims' email accounts, from using Plaintiffs' marks to perpetrate their unlawful and criminal scheme, and prevented from using the Internet domains identified in **Appendix A** to operate the command and control infrastructure to further its spear phishing operation.

16. There is good cause to believe that the Star Blizzard Defendants have engaged in illegal activity using the Internet domains identified in **Appendix A** to carry out their illegal spear

phishing campaign. There is good cause to believe that to immediately halt the injury caused by the Star Blizzard Defendants, each of Star Blizzard's domains set forth in **Appendix A** must be immediately transferred beyond the control of the Star Blizzard criminal operation, thus making them inaccessible to the Star Blizzard Defendants.

17. There is good cause to believe that to immediately halt the injury, the execution of this Order should be carried out in a coordinated manner by Plaintiffs and by the domain registries identified in **Appendix A** on such date and time within five (5) days of this Order as may be reasonably requested by Plaintiffs.

18. There is good cause to believe that the Star Blizzard Defendants have specifically directed their activities in the District of Columbia.

19. There was good cause to believe that if the Star Blizzard Defendants are provided advance notice of Plaintiffs' TRO Application, they would move the Star Blizzard Defendants' infrastructure, allowing them to continue their misconduct and that they would destroy, move, hide, conceal, or otherwise make inaccessible to the Court evidence of their misconduct, the Star Blizzard Defendants' infrastructure's activity, the infringing materials, the instrumentalities used to make the infringing materials, and the records evidencing the manufacture and distributing of the infringing materials.

20. There is good cause to believe that the Star Blizzard Defendants have no legitimate interest in carrying out their cybercriminal activities.

21. There is good cause to believe that the harm to Plaintiffs in denying the relief requested in their TRO Application and their request for a preliminary injunction outweighs any harm to any legitimate interest of the Star Blizzard Defendants (of which there is none) and that there is no undue burden to any third party.

PRELIMINARY INJUNCTION ORDER

IT IS THEREFORE ORDERED that, the Star Blizzard Defendants, their representatives, and persons who are in active concert or participation with the Star Blizzard Defendants and associated criminal operation, are preliminarily restrained and enjoined from: (1) intentionally accessing the protected computers without authorization, (2) engaging in spear phishing campaigns, (3) stealing credentials from victims of spear phishing campaigns, (4) using the credentials to access the email inboxes of victims, (4) unlawfully accessing, viewing, exfiltrating, or otherwise stealing the contents of the compromised email inboxes, (5) capitalizing on the trademarks of Plaintiffs to fabricate legitimacy of the spear phishing campaign, (6) misappropriating that which rightfully belongs to Microsoft, its customers, or in which Microsoft

or its customers have a proprietary interest; (7) destroying the goodwill and reputation of Plaintiffs, (8) impersonating Plaintiffs, their systems, products, and services, (9) configuring, deploying, operating, or otherwise participating in or facilitating infrastructure described in the TRO Application, including but not limited to the Internet domains set forth in **Appendix A** and through any other component or element of the Star Blizzard Defendants' illegal infrastructure at any location, including infrastructure that the Star Blizzard Defendants may attempt to rebuild, and (10) undertaking any similar activity that inflicts harm on Microsoft, Microsoft's customers, NGO-ISAC, its member organizations, or the public.

IT IS FURTHER ORDERED that, the Star Blizzard Defendants, their representatives, and persons who are in active concert or participation with the Star Blizzard Defendants and associated criminal operation are preliminarily restrained and enjoined from (1) using and infringing Plaintiffs' trademarks, including specifically Microsoft's registered trademarks Microsoft, Microsoft corporate logo, OneDrive, Outlook, Microsoft Word and Office 365 and the trademarks of NGO-ISAC's member organizations, including specifically Carnegie Corporation's registered trademarks Carnegie Corporation of New York and its corporate logo, and/or other trademarks, trade names, service marks, or Internet domain addresses or names containing or infringing such trademarks, trade names or service marks, as set forth in **Appendix B and C** to this Order; (2) using in connection with the Star Blizzard Defendants' activities, products, or services any false or deceptive designation, representation or description of the Star Blizzard Defendants or of their activities, whether by symbols, words, designs or statements, which would damage or injure Plaintiffs or give the Star Blizzard Defendants an unfair competitive advantage or result in deception of consumers; or (3) acting in any other manner which suggests in any way that the Star Blizzard Defendants' activities, products or services come from or are somehow sponsored by or

affiliated with Plaintiffs, or passing off the Star Blizzard Defendants' activities, products or services as Plaintiffs'.

1. **IT IS FURTHER ORDERED** that, with respect to any currently registered Internet domains set forth in **Appendix A** to this Order the domains shall be maintained by Microsoft in its account at the domain registrar MarkMonitor during the pendency of this action.

IT IS FURTHER ORDERED that copies of this Preliminary Injunction Order may be served by any means authorized by law, including (1) transmission by email, facsimile, mail and/or personal delivery to the contact information provided by the Star Blizzard Defendants to their domain registrars and/or hosting companies and as agreed to by the Star Blizzard Defendants in the domain registration and/or hosting agreements, (2) publishing notice on a publicly available Internet website, (3) by personal delivery upon Defendants, to the extent the Star Blizzard Defendants provided accurate contact information in the U.S.; and (4) personal delivery through the Hague Convention on Service Abroad or similar treaties upon the Star Blizzard Defendants, to the extent they provided accurate contact information in foreign countries that are signatories to such treaties.

IT IS SO ORDERED

Entered this 10th day of October, 2024

The Honorable Rudolph Contreras
UNITED STATES DISTRICT JUDGE
