**DEFAULT JUDGMENT AND ORDER FOR  
PERMANENT INJUNCTION**

This matter came before the court on Plaintiffs Microsoft Corporation (“Microsoft”), FS-ISAC, Inc. (“FS-ISAC”), and H-ISAC, Inc. (“H-ISAC”), (collectively, “Plaintiffs”) Motion for Default Judgment and Permanent Injunction. Plaintiffs have established the elements of its claims pursuant to (1) the Computer Fraud and Abuse Act (18 U.S.C. § 1030), (2) the Georgia Computer Systems Protection Act, (O.C.G.A. § 16-9-93), (3) the Lanham Act (15 U.S.C. § 1114 et seq.), (4) the Racketeer Influenced and Corrupt Organizations Act (18 U.S.C. § 1962), (6) conversion and trespass (O.C.G.A. § 51-10-1 et seq.), (7) unjust enrichment, and (8) the All Writs Act, (28 U.S.C. § 1651). Defendants have failed to appear, plead, or otherwise defend this action. Plaintiffs are entitled to default judgment under Rule 55(b) of the Federal Rules of Civil Procedure and a permanent injunction pursuant to Rule 65 of the Federal Rules of Civil Procedure, 15 U.S.C. § 1116(a) (the Lanham Act), and 28 U.S.C. § 1651(a) (the All-Writs Act):

## FINDING OF FACT AND CONCLUSIONS OF LAW

Having reviewed the papers, declarations, exhibits, memorandum, and all other pleadings and papers relevant to Plaintiffs' Motion for Default Judgment and Entry of a Permanent Injunction, the Court hereby makes the following findings of facts and conclusion of laws:

1. The Defendants were properly served with Plaintiffs' summons, complaint, and other pleadings in this action and were provided with adequate notice of this action through means authorized by law, satisfying Due Process, satisfying Fed. R. Civ. P. 4, and reasonably calculated to provide Defendants with notice. Specifically, Defendants have been served via e-mail at e-mail addresses associated with infrastructure used by Defendants to carry out the activity that is the subject of the complaint and by publication on the public website [www.noticeofpleadings.com/zloader](http://www.noticeofpleadings.com/zloader).
2. Defendants failed to appear, plead, or otherwise defend against the action.
3. The time for responding to Plaintiffs' complaint was 21 days from service of the summons and complaint, and more than 21 days have elapsed since Plaintiffs effected service. The Clerk properly entered default pursuant to Rule 55(a) on October 4, 2022.
4. This Court has jurisdiction over the subject matter of the case and venue is proper in this judicial district.
5. Plaintiffs are entitled to entry of judgment and a permanent injunction against Defendants.
6. The evidence of record indicated that no Defendants is an infant or incompetent.
7. Defendants have engaged in and are likely to engage in acts or practices that violate (1) the Computer Fraud and Abuse Act (18 U.S.C. § 1030), (2) the Georgia Computer Systems Protection Act, (O.C.G.A. § 16-9-93), (3) the Lanham Act (15 U.S.C. § 1114 et seq.), (4) the Racketeer

Influenced and Corrupt Organizations Act (18 U.S.C. § 1962), (6) conversion and trespass (O.C.G.A. § 51-10-1 et seq.), (7) unjust enrichment, and (8) the All Writs Act, (28 U.S.C. § 1651).

8. Microsoft owns the registered trademarks of brands: “Microsoft,” “Windows,” “Excel,” and “Microsoft Word” used in connection with its services, software, and products.

9. There is good cause to believe that Defendants are likely to continue the foregoing conduct and to engage in the illegal conduct and purposes enjoined by the Preliminary Injunction, unless Defendants are permanently restrained and enjoined and unless final relief is ordered to expeditiously prevent Defendants from maintaining the registration of domains for such prohibited and unlawful purposes, on an ongoing basis.

10. There is good cause to believe that, unless Defendants are permanently restrained and enjoined and unless further relief is ordered to expeditiously prevent Defendants from maintaining the registration of domains for purposes enjoined by the Preliminary Injunction, on an ongoing basis, immediate and irreparable harm will result to Plaintiffs, Plaintiffs’ customers and to the public, from the Defendants’ ongoing violations.

11. There is good cause to believe that to halt the injury caused by Defendants, they must be prohibited from using domains, as set forth below.

12. The hardship to Plaintiffs’ and their customers that will result if a permanent injunction does not issue weighs in favor of an injunction. Defendants will suffer no cognizable injury as a result of being enjoined from further illegal conduct.

13. There is good cause to permit notice of the instant Order, further orders of the court and service of the Complaint by formal and alternative means. The following means of service are authorized by law, satisfy Due Process, and satisfy Fed. R. Civ. P. 4(f)(3) and are reasonably calculated to notify Defendants of the instant order: (1) transmission by email, facsimile, mail

and/or personal delivery to the contact information provided by Defendants to their domain registrars and hosting companies, and (2) publishing notice on the publicly available website [www.noticeofpleadings.com/zloader](http://www.noticeofpleadings.com/zloader).

**FINAL JUDGMENT AND PERMANENT INJUNCTION**

**IT IS THEREFORE ORDERED** that in accordance with Fed. R. Civ. P. 65(b) and 53(a)(1)(C), 15 U.S.C. § 1116(a) and 28 U.S.C. § 1651(a) and the court's inherent equitable authority, good cause and the interests of justice, Plaintiffs' Motion for Default Judgment and Entry of a Permanent Injunction is Granted.

**IT IS FURTHER ORDERED** that Defendants are in default, and that judgment is awarded in favor of Plaintiffs and against Defendants.

**IT IS FURTHER ORDERED** that, Defendants, Defendants' representatives, and persons who are in active concert or participation with Defendants, are permanently restrained and enjoined from: (1) intentionally accessing and sending malicious software or code to Plaintiffs and the protected computers and operating systems of Plaintiffs' or Plaintiffs' customers, without authorization, in order to infect those computers; (2) intentionally attacking and compromising computers or computer networks of Plaintiffs' or Plaintiffs' customers, to monitor the activities of the owners or users of those computers or computer networks, and to steal information from those computers or networks; (3) configuring, deploying, operating, or otherwise participating in or facilitating a command and control infrastructure, or any component or element of the command and control infrastructure at any location; (4) stealing information from Plaintiffs' customers; (5) misappropriating that which rightfully belongs to Plaintiffs', their customers, or in which Plaintiffs or their customers have a proprietary interest; (6) downloading or offering to download additional malicious software onto the computers of Plaintiffs' customers; or (7) undertaking any similar

activity that inflicts harm on Plaintiffs, Plaintiffs, Plaintiffs' customers, or the public, including but not limited through the Internet domains set forth in Appendix A attached to this Order ("Appendix A").

**IT IS FURTHER ORDERED** that, Defendants, Defendants' representatives, and persons who are in active concert or participation with Defendants are permanently restrained and enjoined from (1) using and infringing Plaintiffs' trademarks, trade names, service marks, or Internet Domain addresses or names to carry out the enjoined activity; (2) using in connection with Defendants' activities, products, or services any false or deceptive designation, representation or description of Defendants or of their activities, whether by symbols, words, designs or statements, which would damage or injure Plaintiffs or give Defendants an unfair competitive advantage or result in deception of consumers; or (3) acting in any other manner which suggests in any way that Defendants' activities, products or services come from or are somehow sponsored by or affiliated with Plaintiffs, or passing off Defendants' activities, products or services as Plaintiffs'.

**IT IS FURTHER ORDERED** that Defendants shall forfeit ownership and control of all domains used to carry out the activities enjoined herein, including the domains identified at Appendix A.

**IT IS FURTHER ORDERED**, pursuant to the All Writs Act ([28 U.S.C. § 1651](#)) that the terms of this Permanent Injunction shall be enforced against the Defendants, Defendants' representatives, and persons who are in active concert or participation with Defendants, as follows:

14. With respect to the domains set forth at Appendix A, the domain registry shall take the following actions:

(a) Transfer the domains to the permanent control of Microsoft, such that Microsoft is the registrant with control over hosting and administration of the domain. The domains should be

(b) The domain shall be redirected to secure servers by changing the authoraitve name servers to ns081a.microsoftinternetsafety.net and ns081b.microsoftinternetsafety.net and, as may be necessary, the IP addresses associated with name servers or taking other reasonable steps to work with Microsoft to ensure the redirection of the domains and to ensure that Defendants cannot use them to make unauthorized access to computers, infect computers, compromise computers and computer networks, monitor the owners and users of computers and computer networks, steal information from them or engage in any other activities prohibited by this Permanent Injunction;

(c) The WHOIS registrant, administrative, billing, and technical contact and identifying information should be the following, or other information as may be specified by Microsoft:

(d) Prevent transfer, modification, or deletion of the domains by Defendants and prevent transfer or control of the domains to the account of any party other than Microsoft;

(e) Take all steps required to propagate to the foregoing changes through the Domain Name System ("DNS") including domain registrars.

**IT IS FURTHER ORDERED** that copies of this Order and all other pleadings and documents in this action may be served by any means authorized by law, including (1) transmission by email, facsimile, mail and/or personal delivery to the contact information provided by Defendants to Defendants' domain registrars and/or hosting companies and as agreed to by Defendants in the domain registration or hosting agreements, (2) publishing notice on a publicly available Internet website, (3) by personal delivery upon Defendants, to the extent Defendants provided accurate contact information in the U.S.; (4) personal delivery through the Hague Convention on Service Abroad or similar treaties upon Defendants, to the extent Defendants provided accurate contact information in foreign countries that are signatory to such treaties.
